Literary Celebration and Award

Night.

(Special to The Times-Dispatch.)

ASHLAND, VA., June 13.—The commencement exercises of Randolph-Macon College opened this morning with an address before the Alumni Society, by Rev. W. A. Christian, of Petersburg, in the college chapel. His subject was the "Moss-Covered Panel," and he dwelt at length on disaffection as the keynote of all success, and was delivered in a masterful way.

After Mr. Christian's address, the Sutherland Oratorical contest was held, in which Messrs. H. L. Lowry and C. F. McClintic represented the Franklin Literary Society, and Messrs. A. P. James and M. T. Tabler upheld the Washington Society's reputation. Mr. Lowry's subject was "Patriotism in Virginia"; Mr. Tabler's subject was "True Patriotism," while Mr. McClintic spoke on "The New Southern Gentleman," and Mr. James had as his theme, "Virginia." All of the speeches were of a high order, and the whole contest was highly enjoyed by the large audience present. The result of the contest will be announced to-morrow.

Dr. Cox, the ranking member of the board of trustees, spoke for that body, and showed the steady improvement in the Randolph-Macon system, which has been placed under the management of Dr. W. W. Smith.

Judge Newman spoke for the alumni of the Baltimore Conference, and he spoke on the subject of "The Alumni Chair of Modern Languages," which is being established by the society.

Then the Rev. Ambury Christian spoke for the Virginia alumni on the same subject. The Rev. John E. E. Taylor, the secretary of the alumni fund, told of the methods used in the collection of this fund. Seventeen thousand five hundred dollars on the \$25,000 endowment has been raised, and the secretary hopes to raise \$20,000 by the end of the week.

After Mr. E. E. Taylor's address, he spoke on the college at Ashland, after which Mr. J. N. Mast spoke as the representative of the class of 1906. The dinner was brought to a close with a few remarks by Dr. W. W. Smith, and immediately thereafter the alumni fund was supplemented by contributions from those present.

BABY COVERED WITH SORES

Would Scratch and Tear the Flesh Unless Hands Were Tied—Wasted to a Skeleton—Awful Suffering for Over a Year—Grew Worse Under Doctors—Skin Now Clear.

WOULD HAVE DIED BUT FOR CUTICURA.

"My little son, when about a year and a half old, began to have sores come out on his face. I had a physician treat him, but the sores grew worse. Then they began to come on his arms, then on other parts of his body, and then one came on his chest, worse than the others. Then I called another physician. Still he grew worse. At the end of about a year and a half of suffering he grew so bad I had to tie his hands in clothes at night to keep him from scratching the sores and tearing the flesh."

"He got to be a mere skeleton, and was hardly able to walk. My Aunt advised me to try Cuticura Soap and Ointment. So great was her faith in it that she gave me a small piece of Soap to try and a little of the Ointment. I took it home without any faith, but to please her I tried it, and it seemed to dry up the sores a little."

"I sent to the drug store and got a cake of the Soap and a box of the Ointment and followed the directions, and at the end of about two months the sores were all well. He has never had any sores of any kind since."

"He is now strong and healthy, and I can sincerely say that only for your most wonderful remedies my precious child would have died from those terrible sores. I used only one cake of Soap and about three boxes of Ointment. (signed) Mrs. Egbert Sheldon, R. F. D., No. 1, Woodville, Conn., April 22, 1905."
